Schedule for Remaining Tryouts:

The **U10 boys 2nd tryout** will be this Friday, October 5th at Diamond Hill Field, 5:30-6:30 pm. Please arrive at 5:15.

If you are unable to make this tryout, please contact Warren Mowry or Paul Mobrce.

There **will not** be a makeup for the **U12 boys**. We are able to proceed with selection from the first tryout evaluations.

Player Registration is required for team selection:

There are still some players who attended tryouts that have not registered. Parents must register players prior to team selections to ensure that your son/daughter can be placed on a team and notified.

Note that some parents who had trouble with the below links, were able to register via the link from our web site. (Unfortunately, not all email packages work the same)

If you are having difficulty registering, please contact our registrar, Tony Fiorot, and he can help you to complete the registration.

Please make sure that you are registering for the Winter & Spring Comp Soccer.

Total cost for 3 sessions (2 winter sessions, 1 spring session) is \$360. \$150 deposit is due upon registration; the remaining \$210 will be billed on November 1.

Instructions if paying by check:

1. Contact Warren Mowry or Tony Fiorot and we will give you a voucher number once we receive check. Check should have player name in the notes or should have a note attached with player name.
2. Register as normal, using the voucher number for deposit.

Note: you will still need to enter credit card information for 2nd payment to finish registration. Once we receive 2nd payment via check, we will give you a voucher number to use for 2nd payment in place of credit card charge. If you do not want to enter any CC information, you should pay the entire payment at once and we can give you a voucher in advance of registration.
